The list shall be composed of cases placed thereon by order of court or marked for trial by a writing given to the clerk not later than the first day of August preceding. Said list need not be printed or prepared for distribution except to such extent as may be deemed proper by the clerk or ordered by the court.

Cases may be added to the list, at the end thereof, at any time by order of court or on the first Monday of any month by written agreement of all parties interested or seven days notice to all parties interested and the filing with the clerk of an affidavit thereof.

The clerk shall make an adequate short list of cases for the first day of any session, and at least four days before that day shall have such short list ready for inspection and shall mail a copy thereof to all counsel of record in the cases thereon; but failure to receive such list shall not be a sufficient excuse for ignorance that a case appears thereon.

When separate sessions for or including civil jury business are held simultaneously in the same shire town, the list, assignment of cases and other administrative matters shall be subject to the direction of such justice as the chief justice may designate.

Cases on one jury trial list shall not have precedence over, or be carried over to, a succeeding annual list, unless the court shall otherwise order.

RULE 60

The list shall be composed of cases placed thereon by order of court or marked for trial by a writing given to the clerk at least twenty-one days before the beginning of the session, and shall be ready for inspection at least seven days before the beginning of the session.

The clerk shall make an adequate short list of cases for the first day of the session, and at least four days before that day shall have such short list ready for inspection and shall mail a copy thereof to all counsel of record in the cases thereon; but failure to receive such list shall not be a sufficient excuse for ignorance that a case appears thereon.

Equity cases, in counties having separate equity dockets, and divorce cases shall be segregated on the list and taken up at such times as the court may order.

Cases on one list for trial or hearing shall not have precedence over, or be carried over to, a succeeding list, unless the court shall otherwise order.

L. c. 212 § 16 or within such other designation of the purposes of special or speedy trial sessions with jury in Suffolk as may be made by the chief justice under St. 1928 c. 228.

Said lists shall be composed of cases placed thereon by order of court or marked for trial by a writing given to the clerk not later than the first day of the month preceding. Said lists need not be printed or prepared for distribution except to such extent as may be ordered by the justice having direction of the lists.

Cases may be added to the general list, at the end thereof, at any time by order of court or on the first Monday of any month by written agreement of all parties interested or seven days notice to all parties interested and the filing with the clerk of an affidavit thereof.

Short lists shall be made by the clerk under the direction of the justice having direction of the lists, and shall be mailed to all counsel of record in the cases thereon; but failure to receive such list shall not be a sufficient excuse for ignorance that a case appears thereon.

The lists, assignment of cases, and other administrative matters in civil jury cases in Suffolk shall be subject to the direction, as to the general list, of the justice presiding in the first jury session, and as to the special list, of the justice presiding in the sixth jury session, except as may be otherwise ordered by the chief justice.

Unless the court shall otherwise order, cases on one special list not reached for trial shall take precedence of cases on a subsequent list, but cases on one general list shall not have precedence over, or be carried over to, a succeeding general list.

RULE 64

(Applicable to civil cases without jury in Suffolk)

TRIAL LISTS WITHOUT JURY IN SUFFOLK

In Suffolk there shall be made for every Monday, except in August, a weekly list of cases for trial or hearing on the merits without jury.

Said list shall be composed of cases placed thereon (a) by order of the court, (b) by written agreement of all parties interested given to the clerk not later than four o'clock in the afternoon on the Tuesday preceding the Monday for which the list is made up, or (c) by written notice to all parties interested seven days at least before the Monday for which the list is made up and the filing with the clerk of an affidavit thereof not later than four o'clock in the afternoon on the Tuesday preceding said Monday.

Cases for assessment of damage only shall be classified as such on the list and shall be heard at the opening of the court on each Monday, unless the court otherwise orders. Other cases shall, unless otherwise ordered by the court, be arranged on the list according to the time

when placed thereon, precedence being given, however, on written request of any party, to cases within G. L. c. 212 § 16.

The weekly list shall be mailed to all counsel of record in the cases placed thereon; but failure to receive such list shall not be a sufficient excuse for ignorance that a case appears thereon.

Cases on one weekly list not reached for hearing shall take precedence of cases of the same class on a subsequent list, unless the court shall otherwise order.

The list, assignment of cases, and other administrative matters in civil cases without jury in Suffolk shall be subject to the direction of the justice presiding in the first session without jury, except so far as may be otherwise ordered by the chief justice.

"The enrollment of W.P.A. educ. system totalling 1,324,144 persons who require 34,440 teachers, is larger than the enrolment of all colleges and universities in the country.

Thru Oct, the administrators disclosed, about 580,000 men and women had been taught to read and write, yet illiteracy in U.S. had been reduced only about 12 per cent and the problem remained one of "vast proportions."

In October there were 189,358 persons enrolled in literacy classes.

Despite the high enrolment Mr. Hopkins said, "the federal government has intentionally sought to avoid a separate system of education."

J.K.T. about illiteracy.

SUNDAY, FEBRUARY 7, 1937

Has homesickness really gone to sleep?

Homesickness never goes to sleep. It may subside, grow calm, move down into the lower currents of the soul, but there it ripples and murmurs like an underground stream. Did you ever live near a brook? Did you ever stay in a house where a dynamo is at work? Then you know that your ears get used to the murmur, get used to the house oscillating to the rhythm.

You get so hardened to it that in the end you do not hear it at all. You just go on living your everyday life, you do your work, get up and lie down, follow the paltry routine of the day and do not sense the low and inexorable throbbing in your heart. Yet you would start up stunned and amazed if suddenly the murmur were to cease, if the source of the din should run dry.

Adult education classes and the efforts of the American legion are responsible for the increase of the number of persons in New England admitted to United States citizenship, according to Mary H. Ward, district commissioner of immigration and naturalization here.

The figures for 1933 of 15,926 and for 1936 of 21,740 show an increase of nearly 6,000 persons taking

out naturalization papers.

Social service and fraternal organizations as well as the American Legion are largely responsible, said Miss Ward, for educating aliens to the benefits of American citizenship.

SENATE VOTES LIFE TENURE

Deputies and Supervisors
Would Be Affected

Five Years' Service Required,
Also Council Approval

By a vote of 19 to 10 the Massachusetts Senate yesterday passed to be engrossed the bill which would allow deputies and supervisors of state departments who have served five years or more to enjoy life tenure of office.

Senator Meehan of Lawrence offered an amendment which would eliminate any retroactive provision of the bill. He declared that under the bill any appointee of the past two years would be discriminated against.

Opposing the Meehan amendment Senator Hollis of Newton offered one which would require the Governor and Council to approve placement of an employee under life tenure.

Senator Selzo of Worcester said the bill probably would be vetoed by the Governor.

The Meehan amendment was defeated by a vote of 22 to 7. The

BOSTO

Deaths

Georgia L. Ely; Institute Head, Social Worker

**Came to Boston in 1924
and Founded Center as
Y. W. C. A. Branch**

Representatives from State and local social service institutions will be among the many mourners who will attend the funeral tomorrow of Miss Georgia L. Ely, founder and executive of the International Institute of Boston, who died yesterday at her home, 84 Prescott street, Cambridge. Services will be held at 2 P. M. in the First Congregational Church in Cambridge. The body will be taken to Olivet, Mich., for burial Monday.

Miss Ely was born in Chicago and began her career in social service immediately after graduating from Olivet College in Michigan. Her first assignment was as a teacher at the American School for Girls in Smyrna,

Turkey. Two years later, she returned to America and took courses in social work at the University of Chicago, the School of Social Work, Columbia University, New York School for Social Work and the New School for Social Research.

She then served with the United Charities of Chicago as a director of a settlement in Birmingham, Ala., and with the American Red Cross in Brooklyn. Then the department for foreign born women of the national board of the Y. W. C. A. called her to organize the International Institute in Buffalo. Two years later, she went to Poland, where she spent three years in organization work as executive in charge of the Y. W. C. A.

In 1924, Miss Ely came to Boston under the auspices of the Y. W. C. A. and organized the International Institute of Boston as a branch of the Boston Y. W. C. A. The institute became an independent organization in 1935.

Miss Ely was a member of the State and national Conferences for Social Work, the Boston Council for Adult Education, Zonta Club, Y. W. C. A., Foreign Policy Association, National Institute of Immigrant Welfare, Friends of China, Japan Society, and a number of other organizations devoted to bettering world conditions.

She leaves her mother, Mrs. Clara Ely of Cambridge and a sister, Mrs. Clara Longman of Cincinnati.

RUSH FOR BIRTH CERTIFICATES

WPA Order Causes Work at State House

As a direct result of the order that all persons to be retained on the WPA rolls must prove they are American citizens, Secretary of State Frederic W. Cook yesterday was forced to assign three extra clerks to his division of vital statistics to handle the demand for birth certificates.

Early yesterday afternoon the line of applicants stretched the entire length of the State House corridor and the demand for birth certificates was said by officials to be unprecedented.

In the Division of Immigration and Americanization in the Department of Education officials reported that nearly 150 requests for citizenship papers had been made during the day—one of the busiest which the division has had in many years.

WPA WORKERS ASK CITIZENSHIP

Order to Drop Aliens Brings Rush for Papers

Recent orders that only citizens are to be retained on WPA rolls resulted yesterday in an unprecedented demand for birth certificates and citizenship papers at the State House.

Secretary of State Cook was obliged to assign three additional clerks to handle the demand for birth certificates. At the division of immigration and Americanization in the department of education it was reported that more than 125 requests had been made for citizenship papers.

MISS MARY BARR TAKEN BY DEATH

Brighton Woman Director
of Americanization

Miss Mary Barr, director of the Division of Immigration and Americanization, State Department of Education, died at the home of her brother-in-law and sister, Justice and Mrs Arthur W. Dolan, 29 Wallingford road, Brighton, early yesterday morning. She had been ill for some time.

For almost 25 years she was the manager of the large trucking company founded by her grandfather, one of the few women in the country in such a position. She had held civic posts, was very prominent in Catholic charitable activities and was an accomplished musician.

She was born in Boston, daughter of Michael and Mary A. (McLaughlin) Barr, and was educated at the Academy of Notre Dame in Roxbury and the New England Conservatory of Music. Her father served in the Board of Aldermen and the Common Council.

When her father died, Miss Barr, then organist in St Mary's Church, North End, suddenly found herself head of the M. Barr Company, which did Government trucking on a large scale in the Boston district and employed more than 30 men. From 1914 until April of this year, when illness forced her to retire, she took active charge of the establishment.

During the World War she was chairman of the Women's Committee on Public Safety. She was a member of the advisory board of the Division of Immigration and Americanization for many years and in 1934 was appointed director of the division by Gov Ely, to succeed the late Pauline Revere Thayer. In 1930 Mayor Curley appointed her to the City Planning Board.

She was a member of the Women's City Club, the League of Catholic Women, and other social and charitable organizations.

Funeral services will be held tomorrow morning at 9 o'clock at St Gabriel's Monastery, Washington st, Brighton.
